## WHAT MAKES US DIFFERENT FROM OTHER FUNDRAISERS?

We provide a product that everyone needs, conveniently packaged at a great price, custom branded for your business

*Our business is helping schools, churches, and other non-profit organizations such as yours meet their financial requirements through fundraising.*

**28  
Batteries**

**10 Year  
Shelf Life  
Guarantee**

Custom branding puts your name in front of the client repeatedly.

**We have multiple ways our program can be implemented to support your organization.**

- There is the traditional fundraising approach of product pre-sales with the added benefit of a custom branded webpage.
- We can consign product to your organization for direct sales at your business or specific events.
- We can provide custom branded large assortment packs that you can use as "Thank you" gifts for a specific level of donation or monthly subscription donation.

### ABOUT

We are a Kennesaw, GA based alkaline battery company that markets under the Lucas brand for our retail offerings.
